

CMR WEB-BASED ANNUAL REPORT HELP

General

CMR entities are required to file the CMR annual report with the Commission (and report intrastate universal service fund assessable revenues), even though such entities are not currently subject to the intrastate universal service fund assessments. This requirement also applies to those entities with less than \$200,000 (i.e., \$200 in 000's) of Wisconsin Gross Intrastate Operating Telecommunications Service Revenue.

See Commission's web page at http://psc.wi.gov/telecom/annlrpt/2004/ind_webboth.htm and Rules for Reporting item at the top of the web-based form for further details.

If you wish to request provisional confidential treatment of annual report information, do not click on the "Check for Errors & Submit" button on the program screen.

Do not file a printout of the submission confirmation page with the Commission. Other than if you wish to request provisional confidential treatment of annual report information, do not file a hardcopy version of the annual report with the Commission.

Commission staff has established a Telco Annual Report Helpdesk to facilitate implementation and functionality of the annual report program. The primary Helpdesk contact person is: Kevin Klingbeil, (Email address: kevin.klingbeil@psc.state.wi.us), (608) 267-9504.
